

## **Shawn Miller**

### **Director, Program Credit Department**

Shawn joined Agri-Access at its inception in 2002. As the Director of Program Credit, he oversees credit functions for agricultural and commercial finance segments, including scorecard and traditional underwriting functions. He also oversees the Trade Credit and Lease Underwriting and Asset Management departments. His previous positions with Agri-Access included the underwriting of large swine and dairy operations.

Shawn has over three years experience with Farm Credit Leasing where he reviewed producer and agribusiness leases. He also worked with Purina Mills as a Financial Consultant and discussed expansion opportunities with swine and dairy producers, developed feasibility studies, cash flow projections, business plans, and monitoring ongoing performance, and presented to lending institutions.

Shawn earned his degree in Agri-Business from the University of Minnesota, and has an MBA in Finance from the University of St. Thomas in St. Paul, Minnesota.
